

TAKE THE PLEDGE

By signing below, we make a promise to our school, friends, family and ourselves:

- I will never carry a knife or any type of weapon that could cause harm to anyone
- If I know someone has a weapon, I will tell a trusted adult or the police
- I will always strive to behave in a non-violent manner, and resolve problems peacefully
- I will encourage and support my friends in this pledge

It's time for change.
